LOGNOTE -- A/Chief, Operations Group, 29 May 1986

1. [] Following is from today's staff meeting:

25X1

- The Inman report on security of overseas installations is causing much comment on the Hill, especially the cost involved.

- While the Intelligence Community is not going to lose slots overseas in the current exercise, there may be some realignment from the Far East to the Middle East.

- The '87 budget process on the Hill has not yet run into any major snags. []

25X1

- [] once an OER analyst, is now the DC/EA in the DI.

25X1

- []

25X1

- [] is the new D/OIT. [] is the new DD for Personnel Security.

25X1

- S&T will hold an "all hands" meeting on 23 July in the Bubble. It will be videotaped. Further details later.

- A new reshuffle in the DI leaves Helene Boatner in charge of a new center for leadership analysis.

- FBIS will get 23 summer employees. Supervisors should read [] which notes restrictions on use. Remember that they cannot answer green phones or access AIM.

25X1

25X1

- Staff O/T must be signed off by a group chief. When possible, it should be approved in advance by a group chief.

- The fabled telephone closet is scheduled for replacement on Monday.

- All antenna pads [] have been poured.

25X1

- One reason for delays in processing applicants may be that priority is being given to hiring the new Agency SPO guards, as well as CT's as usual.
